

# *Clara's Gifts: A retelling of the Nutcracker story*

is a gorgeously illustrated picture book that tells the unique Nutcracker story adapted for the stage by Leica Hardy and Graham Whitehead and presented annually since 1991 by Symphony Nova Scotia in partnership with Halifax Dance and Mermaid Theatre of Nova Scotia under the artistic leadership of choreographer Leica Hardy. The lush illustrations by Emma van Zeumeren capture the magic, movement, and Art Nouveau-inspired design of the beloved stage production and perfectly complement the enchanting story, as told by co-authors Marianne Ward and Leica Hardy, of Clara's overnight journey from timid, fearful girl to confident young woman, thanks to the gifts of kindness, loyalty, friendship, and a very special nutcracker.

The 52-page hardcover keepsake book is \$25.00 CA. (\$26.25 CA tax included.)
